

Magazine Sales Winners Get Prizes For Helping School

Bicycles, Watches, Cameras
And Many Smaller Gifts
Go to Leading Salesmen

Crowell Publishing Company is the sponsor for the magazine sales campaign this year, which is an annual event at Central Junior High school. This contest lasts from Friday, September 27, until Tuesday, October 8, which will be eight days.

Many useful prizes are to be given, including eight grand prizes, the main one being a bicycle. There are nearly 40 smaller prizes. The winning homeroom will be given a theatre party and the teacher of the winning group will be presented with a small radio.

Three magazines, *Woman's Home Companion*, *American*, and *Collier's*, are all published by Crowell's and will receive more credit and more profit for the school than the other magazines will. However, a variety of other interesting and popular magazines are also offered.

Junior High has an enrollment of 975 students. If every student would sell at least a \$1.00 subscription, the school would be able to carry on many more activities, W. M. Upchurch, principal, said.

Jimmy Pleasants won the \$3.00 award for most magazines sold in one day, bringing in \$25.50. Second was Pat Muirhead, who won the \$2.00 award with sales totaling \$12.00.

The awards were offered by the sales representative from Crowell's.

School Movie Program Includes Instruction, Fun

C. W. Petty has announced that the motion picture program planned to be presented in the school this year is to include nearly twenty shows, the main ones being "The Last of the Mohicans," "Mad About Music," and "Newsboys' Home."

Many educational pictures, such as "The Frog," "Boat Trip," "Beach," "Sea Animals," and "Airplane Trip," will be presented in the class rooms for the benefit of the science, history, and geography teachers.

"The Last of the Mohicans" is a picture consisting of many exciting and perilous adventures. "Mad About Music" includes a cast headed by Deanna Durbin. "Newsboys' Home" tells of a lonely newsboy who has to fight his way through life, and has as its head star, Jackie Cooper.

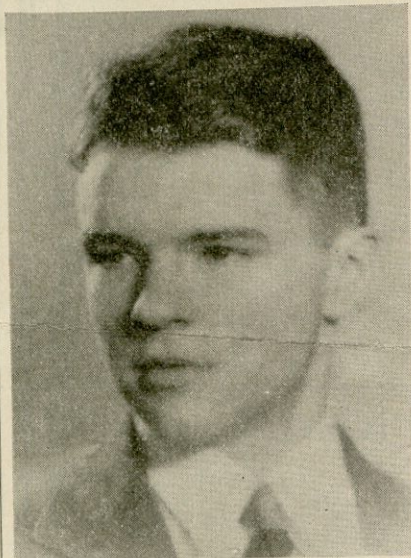

This year Junior High will produce radio programs with other schools in the city. These programs are to be produced on Tuesdays. Besides this, the school will have individual programs throughout the year, similar to the one at which Frank Pierson spoke Wednesday evening.

Seventh Grade Learns Songs

This year the seventh grade music classes plan to begin part singing, and learn a variation of classes of songs. Most of the singing done will lead up to the Easter and Christmas programs, in which all city schools will participate.

The kinds of songs which will be sung are: Stephen Foster's American patriotic songs, Negro spirituals, American folk songs, patriotic hymns, foreign patriotic songs, foreign folk songs, and humorous songs.

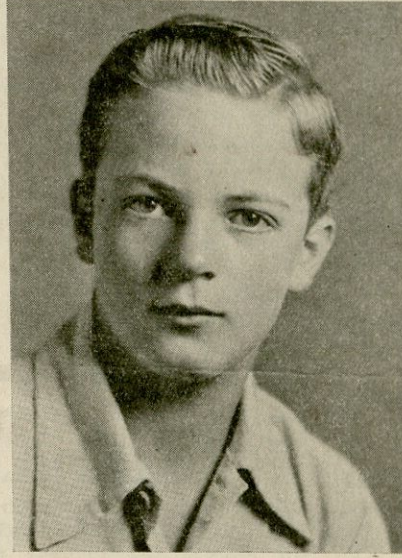

Student Council Officers

FRANK PIERSON

PEGGY TEAL

BENSON McCUTCHEON

Playmakers Prepare 'Sugar and Spice,' Use Points System

"Sugar and Spice," the first of the plays to be given by Junior High Playmakers, is under production now, according to Mrs. Bamma Richman, director.

The plot of this play is centered around Susan, an American girl who has just returned from a trip to Paris, and her cousin, Jane Jones. The other characters are Chump, a large and clumsy boy, Mrs. Jones, and Mr. Jones.

Chances for try-outs were given before this play and will be given before each new play this year. Then points will be awarded for acting in plays and for helping produce these plays.

The first play to be given this year will be given the last of October. Admission will be charged.

R. B. Starling Writes Historical Articles

R. B. Starling, history and science teacher of Junior High, has been for the past summer writing historical articles for the *Durham Morning Herald* and other newspapers.

Mr. Starling has written several articles, some of which are about the history of North Carolina. These articles are based on the stories he has studied in the Duke and Carolina libraries.

One of Mr. Starling's more recent articles was on the development of pipes. He also has pictures of ancient pipes to illustrate his story.

Pierson, McCutcheon, Teal Head New Student Council

Carlock Is Father

C. W. Carlock, industrial arts teacher at Junior High, became the proud father of a seven-and-a-half-pound girl on the morning of September 18. The baby was born at Watts hospital and was christened Beverly Ann. She arrived home September 25. She has blue eyes and dark hair.

Asked how he felt about being a father, Mr. Carlock replied, "Since I became a father, life has taken on a new aspect."

Frank Pierson, Benson McCutcheon, and Peggy Teal, president, vice-president, and secretary, respectively, are the student council officers elected to serve Junior High for the first semester.

They were inaugurated on September 19 at activity period. Principal W. M. Upchurch administered the oath of office.

Ralph Rogers, the retiring president, opened the program and then gave the chair to Frank Pierson.

Frank Pierson, a graduate of St. Mary's school, has held many student offices since his entry into this school. Benson McCutcheon hails from Watts Street school, while Peggy Teal is a product of Fuller.

The student council hopes to benefit the entire student body. The representatives from home rooms welcome any suggestions from students.

Representatives

Each home room has chosen its representative. They are as follows: 7-1, Martha Fowler; 7-2, Fanchon Lewis; 7-3, Tommy Sneed; 7-4, Margaret Rogers; 7-5, Shirley Steagall; 7-6, Billy Stokes; 7-7, Alvitt Loftis; 7A, Dorothy Black.

8-1, C. L. Ezell; 8-2, Jimmy Cobb; 8-3, Lonnie Vickers; 8-4, Lawrence Brogden; 8-5, Estella Cox; 8-6, Albert Highsmith; 8A, Bobby Harris.

9-1, Margaret Crumpler; 9-2, Fred Simpson; 9-3, Tommy Upchurch; 9-4, Maurice Fearrington; 9-5, Douglas McAllister; 9-6, Walter Crump; 9-7, Eleanor Mims; 9A, Rachel Long; 4B11, Marjorie McLawhorn; 4B12, Jean Dermott.

P. T. A. Gives Prize For Members

A prize of a dollar and a half will be given to the home room in Junior High having the most parents join the P. T. A. by the next meeting, the executive board has announced. This was decided at the first meeting of the semester.

At this meeting the new officers were introduced as president, Mrs. R. O. Everett; vice-president, W. M. Upchurch; secretary, Mrs. Howard Haines, treasurer, Mrs. W. B. McCutcheon; and Miss Virginia Dare Holleman, adviser.

Professor Leroy Lewis gave a talk on "The P. T. A. in a Democracy." The next meeting will be held on October 14.

Two hundred and fifty parents attended this meeting and around two hundred joined. Miss Edna Constable's home room had the most parents present.

After the business meeting, a party was given so that the parents and teachers could get better acquainted. Punch and cookies were served.

Rebecca Holloway Wins Essay Contest

Rebecca Holloway of 9-5 won \$10 on the essay contest, "Why I Think the American Broadcasting System Is Best for Americans."

In it she said, "The American radio is free because we can cut it on or off whenever we wish, and we don't have censors to tell us what to listen to, how long, and when."

Frank Jarman, president of WDNC, offered the prize and Rebecca received it through the mail at the middle of June.

Glad to See You Back

The picture on the editorial page of this issue was made by Jimmy Dorman of 9B4. It is a linoleum cut, and was made in the art department.

Military Training Plan Would Include Fourteen Year Old Boys At Junior High

WHAT DO YOU THINK?

Question: What do you think of Junior High?

Maurice Katz, 7B5. "Although it's different from any other school I have attended, I like it very much."

Elizabeth Owen, 7B2. "What I like best in Junior High is the cafeteria. The food is very good and I enjoy eating out-doors."

Betsy Perry, 7B3. "I think Junior High could be improved if there were less noise in the halls when changing classes."

Nellie Klapp, 7B3. "I like Junior High better than any school I have been to, because the food is very good and you get your money's worth."

Frances Ellis, 7B3. "I like Junior High because you have lockers to keep books in, and you won't have to take them home."

According to Dr. D. R. Perry, a proposal for the R. O. T. C. military training in high school was presented to the City Board of Education yesterday.

If this four years of military training is approved, boys fourteen years of age and over will be eligible, whether in junior or senior high school.

The equipment will consist of uniforms furnished by the government, rifles, and other army equipment. It will be stored in the armory or in a vacant room in the school. A small deposit will probably be required to insure damage done to the uniforms.

Since this matter was brought to the attention of the public it has created much favorable comment. The board did not act on the proposal yesterday.

Ticket Campaign Offers Awards For Top Salesmen

Winner Gets "Y" Membership
Or Similar Prize; Leading
Rooms Have Theatre Party

Central Junior High's Athletic Hi-Lights ticket campaign has begun this year with each student who sells three combination tickets outside Junior High getting a combination ticket free.

The group taking in the most money before October 4th will be given a theatre party by the management of the Center Theatre. To the group selling the next highest amount of tickets will be given a movie party by the Criterion Theatre.

The football team has challenged all other groups for ticket sales. They have been selling tickets to people outside the school, and latest reports are that they have been successful.

Wednesday evening, Frank Pierson talked over WDNC about the ticket sales, and explained the need for more cooperation with school activities. He invited visitors to Junior High games.

The boy selling the most tickets in money value will be given \$2.00 or a six months membership to the Y.M.C.A. The girl receiving the most money will be awarded a similar prize.

The prices of the tickets are: Combination Athletic-Hi-Lights, \$1.50; Athletic Ticket, \$1.00; and Hi-Lights, \$1.00.

Two New Teachers, Kernodle, Fisher, Join Local Staff

This year Junior High has two new teachers, Mrs. J. R. Kernodle and Mrs. G. A. Fisher, on the faculty.

Mrs. Kernodle, taking the place of Mrs. Wesley Williams, is teaching seventh grade music and English, and Mrs. Fisher is teaching 1A and 1B Latin and also 4B English.

Mrs. Kernodle previously taught in Burlington, N. C., at the Burlington Senior high school. She states that she finds a good attitude among the students toward her as a new teacher, and also says she has found the entire faculty very cooperative and helpful.

Mrs. Fisher was formerly on the faculty at Clinton Senior high school in Clinton, N. C. She says she likes to see students loyal to their school, lively, and full of pep, as the pupils of Junior High are. She also says that she finds the other teachers extremely cooperative and helpful.

Both teachers were students at Durham high school and attended Duke university. Mrs. Kernodle also studied at Elon college and the University of North Carolina and was a pupil of Junior High school.

Junior High Has 976 Pupils; 7th Leads

On September 4, Central Junior High opened its doors to 976 students for the school year.

The seventh grade leads all others in enrollment with a total of 350. The ninth grade is next highest with a total numbering 296 pupils. The eighth grade has 260 scholars and the tenth grade has 70 in this building.

Approximately 40 pupils attending Junior High this year for the first time have recently moved here from other towns. Last year's record was 917 students.

Why Join?

Again the time of year has come when students are a-buzz with excitement over club membership.

Although one may not realize it, club membership may prove to be a very valuable asset, if the correct choice is made now. Too often students choose a club because a friend happened to join it. Again a student will join a club and then stay out of the meetings or refuse to take part in the programs.

Students with such intentions should either change their attitudes or else stay out.

Junior High has an adequate selection of clubs suitable for any student who may be interested.

If one chooses a club for the purpose of bettering himself and learning, and puts his full cooperation and spirit into it, then he is fulfilling his duty to himself and to his school.

Both students and faculty of Junior High wish to express their sincerest sympathies with Annie Louise Cash for the death of her mother.

Thanks Now, Not Later

It seems that the seventh graders are enjoying the many privileges offered here, including Mrs. Llewellyn's good food. Other privileges are the private lockers, although many complaints have been received regarding the five-cent fine on forgotten locker keys, and clubs.

Last year's seniors miss being at their old Alma Mater. They have learned to appreciate the halls here, because in Senior High the halls are not capable of taking care of the crowded situation. They also miss the faculty and good food here.

Perhaps we should all enjoy the advantages that we have in Junior High, before we go away. We have many things for which to be thankful.

In all the football games let's give our team our full support. If we lose a game, don't let it be because we didn't try.

Before It Hurts—Stop!

Human eyesight is impossible to be replaced. Therefore, rubber-band shooting, and rock and acorn throwing is a very poor way to enjoy one's self while on the playground or other places. This so-called sport may prove injurious to some students—and it should be stopped before reaching this point. Mr. Upchurch and many other teachers have asked us very kindly to bring to an end this childish conduct that is prevailing around our school.

If everyone would come down to the point, we could realize that there is really no fun in injuring other people. Some students have already been hurt badly, and we all should cooperate fully and stop this form of so-called entertainment.

.. AMBITIOUS AUTHORS ..

Sunset on the Lake

By HELEN HANEY, 9B3

The lake front by sunset was a beautiful sight. The sun looked like a great ball of fire as it seemed to rest on the tops of stately spruces and pines as it completed its long journey across the heavens. The soft ripples of the lake lapped against the shadowy shore, and the deep forests surrounding it were silhouetted in the wake of the blazing sun. All of the snow-white water lilies floating over the lake were changed into a crimson garden of roses by the fury of the sun. The radiant magnificence of it as it sank further and further into the golden West became more glorified as its rays were thrown over all the surrounding clouds. Soon the whole valley was flooded with the crimson light, and I was left dazed by the glorious wonders of nature which had transformed the lake into a scene which ever impressed me.

God's Flanders

By BETSY JULIAN, 9B4

God watches Flanders' day and night,
Alive with blood so bloody bright,
He blesses the crosses that mark their graves;
The death vaults of the World War braves.

And now again a peace we seek,
From bloody seas to a civilized peak;
'Tis only God's hand that can make it so,
The God that watches Flanders, alive with
a new war's glow,
A war that creatures can ne'er forget.
Oh! God, dear God! Let there be peace yet.

The Letter Box

Dear Students:

Although every one of us may think that Junior High is the best school in the state, there are some faults that we can and do find with it. Although nothing is perfect, one may yet love it above anything else.

We do not mean by this that the bad points about our school are beyond correction, for they are not, and they can be corrected. No one knows better than a student himself what these faults of ours are, and how they can be corrected.

This year your paper, JUNIOR HI-LIGHTS, is going to try to help in clearing up some of these faults. If you know of a change that you think the school needs to make, suggest it to us in the form of a letter, and we will in turn try to have it answered for you. Perhaps the letter should be answered by the Student Council, or by Mr. Upchurch, or a coach, or some other teacher. We shall attempt to get from some person a satisfactory answer. Perhaps your suggestion of a change is a good one; if so, we need to know it. If your suggestion is not good, we shall try to show its faults.

All letters sent to JUNIOR HI-LIGHTS will be printed on this page. The answer will, of course, be printed here too, as soon as we can get a satisfactory one. Your letter may deal with any part of school work, including this paper. We will appreciate your interest in any improvements.

Signed,
ANNA COLETTA,
HELEN HANEY,
Editors-in-Chief.

After sitting very still all summer staring silently into space and amusing my lonesome (and I do mean lonesome) self by thinking of the gay students that filled the halls of Junior High. . . . I am very glad to be back on my private job again. As I have been watching the many new and old students, I have seen:

K. B. Prince and Betty Rogers engaged in very friendly chats every afternoon after school.

Julia Toms demonstrating the "Hawaiian War Dance" on the playground to a group of about ten boys (mentioning no names).

Aggie Capsalis throwing peanuts at what girl during the Durham High-Wilmington football game?

C. H. (Chicken) Anderson throwing rocks at helpless little girls.

Peggy Teal going around looking for a 9-5 student with a cut finger.

Libby Jane Erwin getting a compliment from Miss North. (She always had talked too much.)

My Trip to Florida

EDNA EALE DOLLAR, 8-4

I saw many interesting things on my trip to Florida. The most interesting thing I saw was at Silver Springs when I went out on a glass-bottomed boat and saw many different kinds of fish. They came to the top of the water and ate bread from my hand.

At certain places in the spring it looked as if it were snowing, and people called it "Snowing on the Mountain."

The water was so clear in some places that a person could drop a dime ninety feet into the water and still see it.

In one place in the spring there was a long green mossy-looking thing that was the shape of a boat. The motorman said that this was possibly once upon a time Ponce de Leon's boat.

DID YOU KNOW . . . ?

1. That Junior High's enrollment this year is approximately 1000?
2. That there are 32 teachers in the school?
3. That Uncle Henry has been with the school as a janitor since 1922?
4. That this building was built without a corner stone?
5. That the seventh grades were first moved into our building in March, 1926?
6. That our building was not completed until the spring of 1929, when the wings on each side were completed, and that part of our building is only eleven years old?

25 Years From Now

Ho! Hum! How the years do go by. Here it is 1965 and it seems only yesterday that the last bell rang and everyone was excused from school.

Oh yes! Let me tell you about our trip to the west coast. The first stop was Arizona and whom should we come upon but Tommy Stokes, Jimmy Copperidge, and Jimmy Cobb running a rodeo show with all their little western gals from the wide-open spaces, Nancy Jones, Libby Jane Erwin, Anne Swindell, and Gorgie Forbus. Of course we couldn't stay long so all we did was to say "Hello" and "Goodbye" and off we went.

Driving all day was pretty tiring, so we dropped by a little place called "Boring Inn." Well, at first the name sounded very uninviting but I happened to think of someone I knew back in dear old Junior High, so we stopped. Yes, sure enough it was she. The washwoman, the housewife, the clerk and maid, Minor Boring, now Mrs. Al Nelson. We spent the night there and then traveled on.

The next noon we rode across the boundary of California around just in time to see the president, Frank Pierson, and his First Lady, Betsy Julian, arrive on their special train to make a speech about how he hates war.

On our way to Hollywood we stopped at a restaurant and whom should we see but C. W. Smith with his bouncing beauties Josephine Huckabee, Margaret Pruitt, Mary Crum, Mary Kinton, Mary Frances McDonald, and Elizabeth Lougee, and of course his faithful little stooge Bobby Suggs. We had a cup of coffee and talked over old times, then traveled on.

The next day we were to drive down to the coast for the annual beauty contest. So off we went and arrived there just in time to see the bathing beauties pass the judges' stand and guess who they were. Peggy Teal, Bobby Jean Hardy, Betsy Rogers, Eleanor Allen, Peggy Seabock, Florence Neal, Shirley Cheek, Nancy Warren, Ella Ann Proctor, Margaret Bobbit, Marilyn Haines, and Ganelle Henderson. Of course there were many more but those were the only ones we knew. Oh yes, the judges were "Dirty" Smith, Marshall Spears, Kenan Rand, and Gordon Carpenter, the prize awarder.

Glad To See You Back

Hysterical Hallucinations

By DONALD (FLOOGIE) ADCOCK

(Editor's note: Before reading this column, please open the windows.)

Well, twerps, here we are starting another year of this nooz-paper. I have talked to Mr. Upchurch, Mr. Dowd, Miss Hammett, and Uncle Henry, and I haven't been able to find out the reason for this column yet. Therefore I shall endeavor to fill this space to the best of my ability.

Miss Arrowood: Young man, why are you running in the halls?

"Stebo" Blackman: I have nothing to ride on.

Some people think they are artists just because they draw flies.

The latest song hit around school is "When the Buzzards come back to Alcatraz."

In a study hall last week everyone was talking and Mr. Starling was calling "Order, order," whereupon a bright boy answered, "I'll take a ham sandwich."

Advice to chickens: An egg a day keeps the butcher away.

Well, so long until next time (?), and until then don't take life too seriously, because you'll never get through it alive anyway.

Yours truly,
"FLOOGIE."

WHAT'S IN A WORD?

Word	Seventh	Eighth	Ninth
gym	time to play	aren't my legs pretty?	What's a good excuse?
hair	stringy	something to roll up	Lend me a comb
notes	what time is it?	notebook full of them	It was from him
dress	keep it clean for tomorrow	I don't care	Wonder if he likes it?
name-pins	my teacher has one	make me one	Someone else has mine
library	place to get a book	go there Mondays and Fridays	He sits at my table
locker	forgot my key	keep it clean	A place to talk
drug store	ice cream cones	meet my girl friends	He takes me every evening

Senior High Has Swimming Meet For Local Boys

Last Friday at 3:30 o'clock there was held in the Durham high school pool a swimming meet where around twenty participants took part. There were four contestants from Junior High. The boys taking part were Charles Norton, Sidney Turner, Tom Poe, and Joe Venable.

The meet was held under the auspices of James Coble, swimming coach and tenth grade English teacher at Durham High. When asked the reason for these meets he replied, "To pick prospects for the Durham High varsity swimming team, and to get more boys interested in swimming."

Although the time has not been set for another swimming meet, it is expected that it will be in the near future. Here are the Junior High events, and the winners of each.

Free-style for Junior High: 1st—Sidney Turner; 2nd—Joe Venable; 3rd—Charles Norton; 4th—Tom Poe.

Breast stroke for Junior High: 1st—Tom Poe; 2nd—Charles Norton; 3rd—Sidney Turner; 4th—Joe Venable.

G. A. A. Starts At Junior High

The Girls Athletic Association was organized today at Junior High school, Miss Elizabeth Partridge has announced.

The purpose is to stimulate and organize a wholesome program of physical activities which shall contribute to the development of the ideals of health, recreation, and sportsmanship of the high school girls.

The activities of the organization will be consisted of outside activities as well as the games played at school.

The point system will be used to give membership in the club, and after you enter the club she will earn points for different activities that she participate in, and get different awards.

RALPH RIDDICK

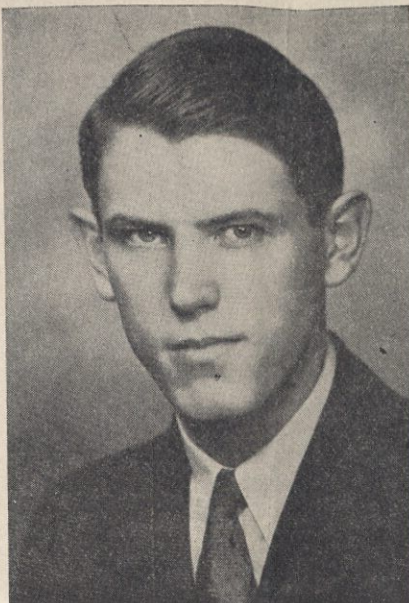

Kerns Plays Tackle On First Team

Tom Kerns, a sandy-haired ex-Junior High three-letterman, in football, basketball, and track, and now a member of the student body at Senior High, is playing first string tackle for the Durham High Bulldogs.

Tom was co-captain of the Bullpups last year, played center on the basketball team, and entered in the shot and discus throw in the track meets. Besides this, he constantly appeared on the first and second honor roll.

When Elmer Barbour was ruled ineligible because of his age and someone was needed quickly to fill in at this position, Coach Carey Brewbaker selected the first-year candidate who played outstanding ball for Junior High.

Bullpups Coaching Staff

C. W. CARLOCK

W. P. JOHNSON

Ralph Riddick Coaches Boys, Asks Students To Support Them

Ralph Riddick, former football star of Durham High and 1939 graduate of the Coop class, is fast destined to become the "Nick" Warren of Junior High. "Nick" Warren, manager of Criterion theatre, takes time out to be end coach of Durham high school.

Ralph works in the Howerton-Bryan funeral home, but every afternoon, if possible, he comes over to Junior High to help the boys in their practice. He says that he likes the boys and likes to work and help them out. When questioned on

Junior High's team and their chances of defeating East Durham, he said that he was uncertain yet about the team but he thought that the "Pups" chances were fair with good student support.

Ralph highly commended Junior high school's equipment, saying it was the best he had ever seen a junior high school possess.

The spare-time coach graduated from Durham High in 1939, where he was an outstanding backfield man. At the high school he is still regarded as an exceptional player.

Volleyball Tourney Starts in Two Weeks

Miss Mary Elizabeth Partridge, girls' gym instructor, announces that the Junior High girls are playing kickball and volleyball, especially the latter, in their gym classes.

In about two weeks, the girls will begin the volleyball tournament. The winners of the seventh, eighth, and ninth grades will play a round robin to determine the champion of the school.

Miss Partridge expressed the hope that the wires of the amplifying system will soon be fixed so that the students can begin their ballroom dancing.

The seventh grade girls seem to like their new gym and will be regarded as a "dark horse" in this tournament.

Football Season Finds 8 Lettermen Back on Team

Squad Looks Promising; Plays East Durham Next Thursday, Charlotte, Nov. 7

By Walter McGhee

Central Junior High started its 1940 gridiron season September 6, when a host of thirty-five players reported for action. The coaches are W. P. Johnson and C. W. Carlock.

The "Pups" seem to have a very good team this year. Eight lettermen reported from last year's squad. These are Donald "Gunboat" Tilley, "Handsome" J. T. Harward, Frank Pierson, K. B. Prince, Lawrence Brogden, Joe Beasley, Joel Windham, and Bernice "Dirty" Smith. Among the newcomers that are promising are Ben Munford at center and Charles Barnes and Charlie McNay in the backfield.

Tilley Coaches

Last week several people saw Donald Tilley, 193-pound backfield ace, trying to teach Jack Markham and C. L. Ezell, each weighing around 87 pounds, how to play in the backfield. These two lads had to drop out because Coach Johnson did not have any uniforms small enough to fit them.

The boys are feeling thankful for the new equipment the school has purchased for them, and they are expecting a good season against their seven rivals. These games will be played as follows:

E. K. Powe—October 3.
East Durham—October 10.
Open date—October 17.
E. K. Powe—October 24.
East Durham—October 31.
Charlotte—November 7—here.

A game with Piedmont Junior High of Charlotte is being planned for a later date.

DURHAM, NORTH CAROLINA

As It Appears From Here

By George Whitted

Well, the time has come to drag out those molded pants, the dust-laden shoulder pads, and dust off those helmets. The answer to all this is, "Football is here." I had my eye on those hard-working Junior High lads and from what I've seen we (and I speak for the entire school) are going to have SOME team. If you should hear a noise that goes something like this, "Up, down, over, back, forward, back right, come on, boys, put some pep into it!" that would be Coach Johnson or Assistant Coaches Carlock and Riddick taking the boys through their daily warming-up exercises, and not some warehouse auctioneer singing off tobacco to the highest bidder.

As you discover the source for all this yelling you would see the following perspiring, but smiling faces: Joe "Dash" Beasley, Lawrence "Comet" Brogden, Joel "Blondie" Windham, Charles "Tri-

ple Threat" McNay, also an admirer of Jessie and Bessie, the "Penny Twins," Donald "Tiny" Tilley, Roger "Butch" Hess, Ben "Dunhill" Munford, K. B. Prince, Frank "Stonewall" Pierson, J. T. Harward, "Buddy" Leonard, Marshall "Galloping Ghost" Spears, and the girls' heart-beat, "Showboat" Loftis.

Although a captain has not yet been chosen, my guess is Frank Pierson, Joe Beasley, or maybe both as co-captains. Returning this year are eight lettermen: Joe Beasley, Joel Windham, Lawrence Brogden, Don Tilley, Dan Simpson, K. B. Prince, Frank Pierson, and J. T. Harward.

Experiment to Show Effect Of Various Foods on Growth; Girls Use Work Centers

Nutrition classes in home economics will soon begin an experiment using white rats to see the results of certain foods.

One rat will be fed healthful foods and another candy and other unhealthful foods. At the close of the experiment the results will be presented at a chapel program.

This experiment is carried on in cooperation with the Durham Dairy Council, of which Miss Bessie Starling is the director.

Friday, Mildred Tilley and Ruth Ferguson from Senior High gave a talk to Mrs. Louise Ervin's seventh grade group.

Work Centers

This year the cottage method of teaching is being used. Under this method work centers are arranged all over the cottage. Different groups will use the bedroom, living room, and the dining room, kitchen, and clothing laboratories. The girls work and study in each group.

Pupils are given more working experiences, and more time is given the individual.

Classes Name Library Helpers

Each home room of Junior High has chosen its library representative to help Mrs. Virginia Hoenig for the year. The complete list of the helpers is: 7-1, Billie Marie Brown; 7-2, Martha Sue Johnston; 7-3, Marie Staples; 7-4, Charlotte Edwards; 7-5, Marice Katz; 7-6, Annie Lou Brame; 7-7, Helen Proll; 7-8, Jacqueline Clark and Edith McCulloch; 7A, Gladys Wood.

8-1, Sarah Taylor; 8-2, Annie Turner and Julia Hamilton; 8-3, Helouise Fisher and Elizabeth Lougee; 8-4, Edna Earl Dollar; 8-5, Jane Johnston; 8-6, Mary Vick; 8A, Geraldine Norris.

9-1, Eppie Earp; 9-2, Annie Lee Ellis; 9-3, Virginia Hicks and Della Umstead; 9-4, Mary Ann Thompson; 9-5, Gladys Werner; 9-6, Irene Snipes; 9-7, Mary Frances Brown; 9A, Annie Ruth Dupree; 4-11, Margaret Brame; 4-12, Virginia Alderson.

Art Room Moves To Basement

This year the art room has been moved from the second floor to the basement in room 04. Mrs. Elsie Graham thinks that the new room is better arranged for craft work. She said she especially likes the large tables and large supply room.

Sailor Visits the Fair

Above is a picture of Charles Norton, with Tommy O'Shea to his right, as they were shown exhibits at the World's Fair by an official guide. Charles sailed up last summer.

Charles Norton Goes A-Sailing, Sees Atlantic, New York; Returns Boy of Month

One of the most important events that took place this summer—that is looking from the youthful side of the situation—was the voyage made by Charles Norton, student of 9-6.

The trip was made in his own 16-foot sailboat which he piloted 800 miles along the Atlantic sea-coast in 26 days. Leaving Morehead City with a crew of one, he sailed on to Delaware City, Del. Here the "crew" left the boat and Charles continued alone until he reached Atlantic City, N. J., where he was joined by Tom O'Shea, who offered to act as mate for the remainder of the trip.

Sailing was smooth until they ran into a heavy storm near Sea Girt on the New Jersey coast.

Charles took up sailing three years ago, and for the past three summers has won the annual Morehead City sailboat race.

Said Charles, "I was plenty glad to reach New York and get some good food and a comfortable bed."

While at the World's Fair in New York, Captain Charles and Mate Tom O'Shea were welcomed by all officials, interviewed over station WNYC, and were entertained to the highest extent everywhere.

As a reward for his achievements, Charles has been appointed "Youth of the Month" by the nation-wide magazine called "Youth Today."

Salvation Army Gives Program

Major Wall of the Salvation Army with a few other men and one of their wives entertained the school with a short program on Friday, September 20.

The program consisted of singing and playing the piano and accordion. The men, introduced by Major Wall, also gave short talks.

Tommy Poteat in Tenn.

Tommy Poteat, a student of Durham High last year, is now going to Webb school at Bell Buckle, Tennessee.

While in Junior high school, Tommy won many honors in chorus work. At Durham High he was on the student honor committee.
